

# **Temporary Entrance Change** **We're Upgrading!**

We're giving our bank a little facelift!

Starting **Monday, March 16, 2026**, we'll be replacing the front columns of our building to keep it safe, strong, and welcoming.

While the work is underway, the main entrance will be closed. **We will conduct ALL transaction types through the drive-thru.** If you need to come into the lobby, please enter through the door on the East side of the building. Look for the sign that says "***Temporary Lobby Entrance***".

We're excited for you to see the improvements and appreciate your patience during this short detour.

Thanks for being part of our banking family!
